There are five rulers, one for every day,
And there are six folders, don't you think that's great?

Chorus – Again!

I have one pencil case, you like it `cause it's blue,
also two pencils and they are really new.
I have three books with many pictures, too.
And then four glue sticks, so much work to do!
I have five rulers, one for every day,
I have six folders, I think that's really great!
